

# Our strategic directives

*Our strategic directives for the next five years focus on the development of:*

- 1 An efficient, sustainable, and recognizable organization.**
- 2 A strong, supported abortion community.**
- 3 Increased abortion care access in Canada.**
- 4 Expanded and responsive educational programming.**

Detailed information on each directive will be released in 2025, and include a strong focus on equity, bilingual resources, multiple pathways for supporting the abortion community and how Abortion Care Canada will continue to grow and stabilize.
